The screenshot shows a web browser window with multiple tabs. The active tab is titled "國語作業" (Chinese Homework) and displays the URL `classroom.google.com/c/MzQ3ODMyMjk5MzM1/a/MzQ4MTU5MTI4ODA2/details`. The page content is partially obscured by a modal dialog box for uploading files to Google Drive. The dialog box has a title "使用 Google 雲端硬碟插入檔案" (Use Google Drive to insert files) and a search bar "在雲端硬碟中搜尋". Below the search bar are tabs for "近期存取" (Recent), "上傳" (Upload), "我的雲端硬碟" (My Drive), and "已加星號" (Starred). The "上傳" tab is selected. In the center of the dialog is a large cloud icon with a blue "BROWSE" button below it. Below the button, the text "或者將檔案拖曳到這裡" (or drag files here) is displayed. The browser's address bar shows "classroom.zip" and a "全部顯示" (Show all) button. The Windows taskbar at the bottom shows the system tray with the date and time "下午 05:18 2021/5/24".
